Term 2:

And so our second term begins!
We hope you all had a lovely Autumn break with your children. We certainly missed them and we were very excited to welcome them all back.
We have a host of exciting things planned for you, our Nursery family, to continue to develop our positive relationships and family learning.

HALLOWEEN ACTIVITIES

BOO!!!!!!

We have lots of exciting things planned for our children starting with our Spooky Welly Walk on Wednesday 30th October @ 10am and 2pm.
This is followed by our Halloween Parties on Thursday 31st October.

PEEP :

Mrs Beattie will to be starting her Block 2 PEEP sessions beginning on the 1st of November.

Family Learning

Transition Peep sessions will also continue.

Upcoming Initiatives

Our first initiative will be the Sleep Scotland Sound Sleep programme. At this event we will share with you the programme, launch our Big Bedtime Read, share with you story massage techniques and also promote yoga as part of our relaxation focus. This is a great way to support you with sleep routines, the importance of sleep and will also help you to share and ask questions on the topic of sleep. We can't wait to start our Wellbeing calendar with this fantastic focus. So please look out for dates and come join us!

HAVE YOUR SAY:
Over the course of the session our main goal is to:

Get It Right For Every Family.

We would love your views and ideas on initiatives you feel would help you, your child and us as an Early Learning Centre to reach this goal.

Please complete post it notes in the Nursery and attach these to Our Family Learning Poster.
