Head-Lice

We request again that parents please check their child's hair regularly to ensure that any head-lice are treated before the child returns to school as we have had recurring outbreaks in a couple of our classes. Thank you.

Uplift from clubs and at the end of the school day

A gentle reminder that pupils should be uplifted by 3pm from school and immediately after club sessions as coaches/teachers cannot care for them after this time. Thank you for your support with this.
