

Welcome back to another exciting year at St Ninian's Nursery!

The St Ninian's Nursery staff would like to welcome back our children and extend a very warm welcome to our new boys and girls who are joining this wonderful family. What a positive start so far with all of the children settling in and participating in all of the wonderful experiences on offer.

We would also like to welcome our parents to what is sure to be an exciting adventure for us all in the year ahead. Thank you for joining us on this journey where adventure, nurture and learning go hand in hand.

Our Nursery Values are:

Friendship 

Happiness 

Kindness 

Love 

DROP OFF/PICK UP TIMES

Thank you for cooperation and understanding with the new procedures for drop off and pick up. Please remember to maintain 2m distancing during these times from staff and other adults-thank you!

Healthcare

If your child has any healthcare needs or requires to take any medication whilst at nursery, please speak to a member of the team to arrange an appointment to complete the necessary paperwork.

S

Protected from abuse, neglect or harm

Our wellbeing focus in August is: **SAFE**

Outdoor Play

Many of our play experiences happen outdoors and we would appreciate your help in ensuring your child has appropriate clothing and footwear for our often unpredictable weather!

Online Journals – new start children

Your child will be set up with an Online Journal which records their learning experiences in nursery, this will include observations and photographs. When the nursery team have set these up you will receive an email with information about to how log on and access this.

We value your voice and would appreciate if you could view and comment on these observations so that you and your child feel engaged with their profiles. Please contact the nursery team if you have any difficulties in logging on once you receive the email.

School lunches

If your child is attending nursery all day and would like to have a school meal you will need to set up an Ipay Account. Please contact the school office if you need any support with this.

IMPORTANT INFORMATION: ANAPHYLAXIS ALLERGY

We have a child who has severe allergies. Therefore it is vitally important that your child DOES NOT bring in any of the following food types (in their bags, or without staff knowledge) which include the following ingredients: nuts, chocolate spread, peanut butter spreads, celery, sesame, banana, carrot, peas, lentils, wheat, yellow split peas and dairy. Please consult a member of staff if you have any concerns and we will be happy to discuss further. It is important to us that all of our children are safe and healthy in the Nursery and we appreciate your continued support.
