

Saint Ninian's Nursery Class Newsletter

"Where adventure, nurture and learning go hand in hand."

Our Nursery Values are: Friendship, Happiness, Kindness and Love

Message from Mrs Roy (Acting DHT)

What a fantastic start it has been for the youngest members of our school family! It has been great to see so many smiley faces every time I pop into the nursery. Our new starts have settled in so well and our pre-schoolers have proudly been showing them around and helping them to make friends.

I look forward to working with the nursery staff team this session in supporting you and your child in this stage of their learning adventure.

Weekly SWAY

Each week we will send out a link to our Nursery SWAY. This is a great way of finding out about the many experiences your child is having at nursery. There are also suggested activities to try at home as a family.

Have your Say

We are keen to continue building positive relationships between home and nursery. Every parent should now have a 'Have your say' slip which allows you to communicate any concerns, questions or comments to our nursery team. These will be very valuable to us and we would appreciate your participation.

H

Supported in making safe and healthy choices

Our wellbeing focus in September is:
HEALTHY

Achievement Assembly

We will be holding our first virtual Achievement Assembly on Tuesday 29th September where we celebrate the success of our young people. If your child has a wider achievement you would like us to share with the whole school community please email claire.roy@westlothian.org.uk

Welly Wednesday

We are aiming to restart our Wonderful Welly Wednesday on 30th September and then every Wednesday following that.

We will be out in the local community in all weathers so we advise that your child is appropriately dressed on these days, eg. Wellies, waterproofs, hats, gloves – please ensure these are all labelled with your child's name. Thank you.

IMPORTANT INFORMATION: ANAPHYLAXIS ALLERGY

We have a child who has severe allergies. Therefore it is vitally important that your child DOES NOT bring in any of the following food types (in their bags, or without staff knowledge) which include the following ingredients: nuts, chocolate spread, peanut butter spreads, celery, sesame, banana, carrot, peas, lentils, wheat, yellow split peas and dairy. Please consult a member of staff if you have any concerns and we will be happy to discuss further. It is important to us that all of our children are safe and healthy in the Nursery and we appreciate your continued support.

<https://www.anaphylaxis.org.uk>

Drop off/Pick Up by Car

Please ensure that you park sensibly in designated parking areas outwith the main school car park during drop off and pick up. This can get very busy at peak school times, 8.30-8.40am and 2.50-3.10pm. It might be worth considering a Park & Stride alternative.

What's happening in September:

16th September – St Ninian's Feast day

28th September- 2nd October – Maths Week Scotland

29th September – Achievement Assembly
