

Our Nursery Values are: Friendship, Happiness, Kindness and Love

**Weekly SWAY**

Each week we will send out a link to our Nursery SWAY and put a copy on the school website. This is a great way of finding out about the many experiences your child is having at nursery. There are also suggested activities to try at home as a family.

**Parental Consultations**

Our Parental Consultations will look different this year and will take place via a telephone call on Friday 30<sup>th</sup> October 10-12pm & Friday 6<sup>th</sup> November 10-12pm. All parents have now booked in and received confirmation via groupcall.

Our wellbeing focus in November is:  
**ACHIEVING**

**Our Nursery Values**

Every year as a staff team we reflect on our vision and values to ensure they are still relevant. The link for the parental survey will remain open until Friday 6<sup>th</sup> November. Your views are really important to us so we would appreciate if you could take the time to complete this short online survey.

**Witchy Welly Wednesday**

This was a great success and many thanks for all your sponsors/donations. If you have still to hand in your child's sponsor form and money can you do this by Friday 6<sup>th</sup> November? These donations will be used to purchase resources to improve our nursery environment. Many thanks.

**Sharing is Caring**

We have now created our very own resource in school which we have called 'Sharing is Caring'. This is a resource for any family who finds themselves in need of some essential food supplies. Please speak to Mrs Smith, Mrs Roy or Miss Fraser if you would like more information or access to this resource.

## IMPORTANT INFORMATION: ANAPHYLAXIS ALLERGY

We have a child who has severe allergies. Therefore it is vitally important that your child DOES NOT bring in any of the following food types (in their bags, or without staff knowledge) which include the following ingredients: nuts, chocolate spread, peanut butter spreads, celery, sesame, banana, carrot, peas, lentils, wheat, yellow split peas and dairy. Please consult a member of staff if you have any concerns and we will be happy to discuss further. It is important to us that all of our children are safe and healthy in the Nursery and we appreciate your continued support.

### Home learning

Many of the children have recently shown an interest in learning about being safe, safety when out walking, using electrical equipment, etc. and have linked many of their learning experiences in nursery to this. Please share any home learning via your child's learning journal.
