

St Ninian's Primary School Improvement Priorities 2020-2021

Health and Wellbeing

To improve children and young people's health & wellbeing to ensure their readiness to learn

Raising attainment in literacy and numeracy

To offer high quality learning experiences in all classrooms by engaging teachers in professional learning opportunities, professional enquiry, moderation and school self-evaluation

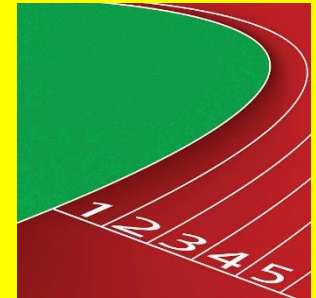

Closing the attainment gap

To continue to provide targeted interventions for identified pupils across the school to ensure that attainment potential is maximised

Employability Skills

To improve and develop digital literacy skills for staff and learners to enable a more agile and blended approach to learning

We are on the track to success!
