St Ninian's Nursery Class Improvement Priorities 2020-2021

Health and Wellbeing

To ensure all learners feel safe in nursery and have a trusted adult they are happy to be comforted by.

All learners will feel supported in their wellbeing and understanding of the wellbeing indicators.

Raising attainment for all

To provide an environment and approaches that promote a child led approach to learning.

Improvement in Literacy for all:

To ensure all learners benefit from focussed work between practitioners and parents/ carers to develop and improve learners' literacy skills from the earliest stages, building early vocabulary skills.

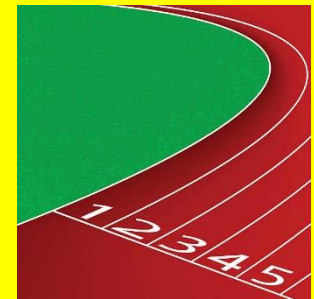

Improvement in Numeracy for all:

To offer a numeracy rich environment for all learners.

Employability Skills

To further develop use of digital tools and resources for children to enhance their learning experiences and develop digital skills

We are on the track to success!
