Outdoor Learning

Welly Wednesday is always one of our favourite days of the week in St Ninian's Nursery. It is a chance for us all to take our learning out into the local community and broaden our experiences. To ensure all children get this opportunity this term we have added in some 'Tree-mendous Tuesdays and Thursdays'. We have added all the dates to the Family Calendar to help you ensure your child is dressed appropriately on these days.

Themed Weeks

Throughout the term we will have different themes linked to Health and Wellbeing and the UNCRC:

- w/b 1st May – Launch of wellbeing indicator – INCLUDED
- w/b 8th May – Mindfulness and mental wellbeing
- w/b 22nd May – Diversity-celebrating our different cultures/religions/nationalities
- w/b 29th May – STEM Stay, Play & Learn
- w/b 5th June – Moving on, moving up – transition
- w/b 12th June – Talents, gifts and skills
- w/b 26th June – Memories

Skills Time

Each week in nursery we will be offering some short skills time sessions for the children. These sessions will provide further indoor or outdoor play experiences linked to specific skills in literacy or numeracy led by our staff team. These sessions will be interactive and adult led using a range of resources. Children can choose if they would like to participate and free flow play will also continue to be offered at these times.

Big Bedtime Read

A big thank you to our parent helper, Mrs Stevenson for helping us last term with our Big Bedtime Read bags.

Mrs Webster will be co-ordinating this for Term 3 and will be available every second Friday for pick up/drop off of Big Bedtime Read bags for the AM session

Mrs Murray will be co-ordinating this for Term 3 and will be available every second Thursday for pick up/drop off of Big Bedtime Read bags for the PM session

Please speak with the ladies about these initiatives and take the opportunity to borrow some reading/maths materials to share at home.
