## Exciting Term Ahead

You will now have a copy of our Term 3 Calendar and will see that we are ready for another fantastic term at St Ninian's. Our school improvement priority this session is all about providing **exciting, challenging** experiences for the children to develop their skills and knowledge through. That's why we are continuing to do the following this term:

- 5-week Food Technology block for P6 and P4
- 4-week Food Technology block for P1 and P2
- Weekly progressive outdoor learning sessions for ALL classes
- Opportunities to develop children's music skills and knowledge through Artistic Rhythms for P4/5 and P5, and Fischy Music workshops and whole school concert.
- Continued focus on positive mental health strategies through motivational speakers and activities.
- Judo Tasters for P1-4 classes
- Skills Academy week for P1-3 learners – an opportunity to learn something new!
- Pupil Leadership Committees continue for our P4-7s
- Building Thinking Classrooms in Mathematics focus for P2-4 and P7 this term
- Weekly progressive writing experiences for P1-7
- We are delighted to share that P5-7 pupils will be involved in a school production of *Joseph and The Amazing Technicolour Dreamcoat* after Easter and will be busy preparing for this special event this term! Dates TBC.

Look out for more information about our school improvement plans and progress this term. We have been capturing the views of children this week and will be seeking parent views very soon.

## Term 3 PE Days and Outdoor Learning Days

Thank you for your support in ensuring children have appropriate clothing for PE days and outdoor learning days. Please remember to get in touch with us if you need any help providing these items for your child.

A reminder of your child's PE days and outdoor learning day can be found on our school website:

<https://stniniansprimary.westlothian.org.uk/article/79536/PE-Days>

## **#stninianskidsanweek** **'Looking Back, Looking Forward'**

We always use the first week back to revisit our school's vision and values and to set goals for the New Year.

All children have been setting Term 3 Learning Goals to display and use in their classroom. Across the school, each child also evaluated their wellbeing against the eight wellbeing indicators and shared this with their teachers. We use this information to make sure we '*Get it Right for Every Child*' at St Ninian's.

Parents can continue to keep updated on their child's learning through SeeSaw. There will be examples of learning from Term 2 on your child's SeeSaw page and also an evaluation of their skills evaluation from Term 2. Remember to share any of your child's achievements with us too, we love to celebrate them in school!

This is term packed full of learning to help each child make progress and achieve. If you have any questions or concerns about your child's learning, please do not hesitate to get in touch.
