St Ninian's PS Pupil Equity Fund Summary 2026-2027

Pupil Equity Funding (PEF) is additional funding allocated directly to schools and targeted at closing the poverty related attainment gap.
St Ninian's PS have been allocated £57575. This money will be used to tackle the poverty related attainment gap.

Consultation

Our 2026-2027 Plan, following consultation with parents and staff in May 2026 identified these priorities:

- extra staff to support learning/wellbeing & clubs
- small groups to support children with targeted interventions
- free after school clubs
- purchasing resources to support literacy & numeracy

Pupil Voice

Pupil Voice is very important in St Ninian's and we discuss with our learners how to best utilise our PEF money. Our learners have control of the Participatory Budget allowance which amounts to £1728 . They are consulted on ways in which the money should be spent and the final decision is taken by a pupil vote.

Cost of the School Day

At St Ninian's we aim to keep the cost of the school day affordable for all families. Please follow the link to read our Cost of the School Day Toolkit.
